Member's News

With sadness we report that Brenda Richards, a member of the Wildlife & Conservation Group, died on 19th June 2018. Our sincere condolences are with her daughter, Jane Saqui, and all of Brenda's family.

A warm welcome to our new members, Heather Coombs and Liz Manning.

11 members of our U3A were amongst 27 Keyworth folk who took part in the Prostate Cancer UK's March for Men on Saturday, 30th June in Colwick Country Park. The group raised over £2,750 in sponsorships. Tony Robinson who organised the Keyworth contingent is delighted with the response and support that he received. See photographs overleaf.

Group News

We are asked by the church to ensure that when we leave the premises all doors are properly closed and locked and all lights and relevant equipment are switched off.

The ironing board used by the Craft Group and stored in the back room of the Methodist Hall by the U3A cabinet has gone missing. If anyone can shed light on its whereabouts please contact Jackie Fisher, 0115-937-2898

The Third Age Trust has updated its requirements for Beacon users. It is expected that anyone having access to Beacon must have fully up-to-date and adequate protection against viruses on the computer(s) that they use to access Beacon. Our Beacon administrator has had to sign acceptance of this requirement.!

For groups using the Village Hall there are updated Fire and Safety requirements. Please make yourselves familiar with these as displayed on the Village Hall notice boards. When using the Centenary Lounge it is very important that the doors connecting with the main hall are unlocked to allow access to the defibrillator and, of course, properly locked again on leaving the premises.
